Spearman Correlation Matrix Among Candidate Predictors

Candidate predictors

HDI Rank
Gross National Income Per Capita (2017 PPP$)
Human Development Index (value)
Life Expectancy at Birth (years)
Zinc supply - Milk and milk products
Energy supply - Fats and oils
Protein supply - Milk and milk products
Vitamin A supply (retinol activity equivalents) - Fats and oils
Mean Years of Schooling (years)
Expected Years of Schooling (years)
Vitamin A supply (retinol activity equivalents) - Milk and milk products
Calcium supply - Milk and milk products
Energy supply - Sweets and sugars
Protein supply - Meat and meat products
BCG_coverage_pct
Energy supply - Meat and meat products
Zinc supply - Meat and meat products
Vitamin C supply - Vegetables and their products
Vitamin C supply - Milk and milk products
Vitamin C supply - Beverages
Energy supply - Roots, tubers, plantains and their products
Iron supply - Roots, tubers, plantains and their products
Iron supply - Meat and meat products
Vitamin A supply (retinol activity equivalents) - Roots, tubers, plantains and their products
Vitamin A supply (retinol activity equivalents) - Vegetables and their products
Vitamin A supply (retinol activity equivalents) - Meat and meat products
Zinc supply - Roots, tubers, plantains and their products
